New Patients from Website

NeuSchedule™ is a service of NeuroDyne Medical, Corp.

NeuSchedule™ is a patient schedule system that includes Electronic Medical Records System, Patient and Healthcare Provider schedules in notes SOAP Notes capable and includes CPT, ICD-9 and other codes. This system helps healthcare organizations reduce costs by providing a state-of-the-art self service patient scheduling system and by running a paperless office.

If you are not an authorized user of this system please contact [NeuroDyne Medical, Corp.](#) at (800) 343-2343 or via [Email](#). You may also contact them via their on-line live support system.
